Para 2. LIVING QUARTERS - We have found it very difficult  
to get houses particularly in big cities. Many of us live in  
villages which are far away from the city and it is very  
difficult to get houses for rents less than Rs 15/- to Rs 20/-  
We pray therefore that lands between Seshadripuram and Rajahmundry  
Guththalli may be allotted to us. Similarly sites by the side of  
Shivaji Taluk may kindly be acquired and allotted for the use  
of Medical Officers working in Hospitals.

Ref No 241

Date 6th November 1948

The Home Minister,  
Government of Mysore,  
Bangalore

Respected Sir,

We, the members of the above Association beg to bring the following few lines for your benign consideration and favourable orders

As already requested the Government for sanction of sites for the members of the Menial staff, we beg to remind that no action has been taken regarding our request. As the living conditions are abnormally expensive and the house rent has gone very high we find it very difficult to maintain ourselves. Therefore we respectfully request you to grant us atleast sites at the localities of Sunkenahalli and Rajamahall Guttahalli, so that we can erect huts. We hope that our request will be looked into

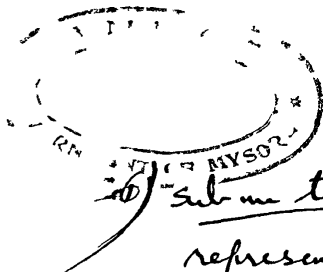

for which act of kindness we shall be highly grateful to you

Yours faithfully,

Bangalore, to the Chief Secretary to Government, Bangalore.

The members of the above association most humbly and respectfully  
submit the following for your kind consideration with a  
view that our humble prayer would meet with success.

We are undergoing great difficulties regarding our house problem  
we have to pay a huge portion of our salary as house rent, itself. To  
we humbly request you Sir, to issue orders early for granting the house  
sites by the City Improvement Trust Board at prices which will be  
convenient for us to attend to our office duties. As the City are ex-  
pecting now is inadequate to maintain our families we request that our  
pay may be increased so as to adjust our selves to the current cost of  
living. This is well known at Bangalore, where at 2 1/2% seems  
and other absolutely impossible things are being asked. As to  
a rent in a family of 10 members, a minimum requirement at least Rs 60/- per  
month we request that at least the house pay may be increased to  
reasonable amount. All other expenses (as paid to the police force  
may be sanctioned. We hope Sir that at least some of our requests will  
be granted in our time. For which act of kindness and timely help we  
shall ever remain grateful.

Respected S-1,

I, as the secretary of the Association and on behalf of its members who are the menial staff of our Government, most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that my humble prayer would meet with success. -

As your honour is quite aware of the difficulties that the Menials are undergoing for want of proper food and shelter, I do not want to reiterate them here and thus waste your ~~honour's~~ honour's valuable time But still I like to submit only a few of their grievances hoping that it will receive kind and immediate attention.

between  
4/8/49

That the pay that is being paid to these menial staff is too insufficient to maintain their big families but also to pay house rents which are too exorbitant no -a-da. Added to this Pagi and Jola is not being properly supplied to our ration cards ~~xx~~ by the depot holders but when asked they say that they have not received the stock and if the Government supplies them with stock, then they will distribute it amongst the ration card holders. Hence the Menial staff of our Government are put to untold troubles and hardships In view of the above circumstances, I as the secretary of the said Association most humbly and respectfully beg of your honour to be kind enough to take such action as you deem fit to provide the menial staff of our Government with food and dwelling houses. Anxiously awaiting your favourable commands.

Yours faithfully
